According to Pasco County, the July/August 2015 flooding event destroyed 46 homes and damaged approximately 309 more and counting.

- What is Pasco Rebuilds Together!?
 - Pasco Rebuilds Together! is a grassroots organization providing assistance to vulnerable citizens who have unmet needs related to a disaster event identified by the County and who do not have the financial or other resources to meet the need.
 - The organization came together to provide a whole community recovery for those citizens affected by the July/August 2015 flood event.
- Who is participating?
 - Faith Based Organizations, non-profit organizations, local government officials, and community leaders
 - United Way is our fiscal agent
- Who will we help?
 - Our goal is to serve the most vulnerable populations of Pasco County affected by the July/August 2015 flood event, including the elderly, disabled, low income and those living in damaged homes.
 - We will accomplish this through a disaster case management process.
